### NON-COMPETITIVE BASEBALL FOR KIDS WITH SPECIAL NEEDS

Jefferson City Parks and Recreation and the Jefferson City Evening Lions are hosting a non-competitive baseball league in 2010 for area school aged children with physical and developmental disabilities or other conditions that keep them from participating in regular baseball leagues. Every child bats and fields in each inning. Also, a "baseball buddy" will be available to help him/her. The league is designed to help every child, regardless of ability, be successful and have fun!

**PARENT/GUARDIAN INVOLVEMENT:** Because of the special needs of many of our participants, we require that a parent, guardian or responsible adult remain in attendance with the participant. While you are not expected to assist with running the program, we may need to consult with you if medical or behavioral issues arise.

**VOLUNTEERS NEEDED:** The success of the program is dependant upon help from a large number of volunteers. Baseball buddies can be individuals or whole groups. Volunteering consists of helping a child with catching, throwing, and batting and running during the game. You can volunteer for one or all games, depending upon your availability.

Registration forms are available at the Parks and Recreation office or on-line at [www.jeffcitymo.org/parks](http://www.jeffcitymo.org/parks). For more information contact Kerri Gates at 573-634-6524.
